The Wight Company of Field Archers

NFAS Trophy Shoot weekend Saturday 24th June and Sunday 25th June 2023 Registration from 9am, 10am start

We are once again inviting those wishing to shoot compounds and sighted recurves to our annual shoot. Traditional archers are of course still very welcome.
Aluminium or wooden arrows only, sorry no carbon arrows or crossbows.

The shoot will consist of two days challenging field shooting in a beautiful well contoured woodland location near Ancient Brading with views of the Downs and the English Channel.

Saturday morning will be one round (mixture of standard big game and single shot scoring) of at least 25 3D's, including several multi shots, eg flock of ducks, deer herd, predator and prey, sleuth of bears. The afternoon will be a one shot Bowhunter round from a different peg.

Sunday morning will be another chance to shoot the course, this time from a third set of pegs to give you a further challenge, followed by presentation of trophies and medals in the early afternoon, allowing you to get a ferry home late afternoon.

Breakfast baps (bacon and/or egg) for early arrivals,
freshly cooked eggs, bacon, burgers, pulled pork baps plus vegetarian chilli for lunch,
delicious array of homemade cakes plus tea and coffee available all day,
email chair@wightcompany.org to discuss any particular dietary requirements

£18 for Seniors, £9 for Juniors and Cubs. Medals awarded by category for those shooting over the whole weekend. Single day entry also welcome – £10 for Saturday, £8 for Sunday. This is a pre-book, pre-pay event

Please note that the above fee does not include camping, refreshments or ferry travel. Sorry, there is no camping on site but there are numerous campsites and B & Bs on the Island. Ferry deals are often included with Island hotels and campsite companies.

Directions/Google map link can be sent via email with confirmation of booking.

Please phone 07929 337263
or email chair@wightcompany.org if you have any questions about the event.

NB: the ground in the woodland is uneven in places with hilly sections, loose leaf litter and animal sets over some fairly rugged terrain. If you have any concerns about your mobility/capacity to negotiate the terrain please contact us for further guidance before booking a place.

Please note the Wight Co. runs a No proof of NFAS membership No shoot policy.
