

Wight Company Open 16th and 17th September 2023

We were so pleased to be able to welcome more archery friends new and old this year, largely made possible by a generous Island trader offering our guests a discounted ferry deal.

Saturday was pretty humid in the depths of the wood, with archers shooting a traditional big game round in the morning, followed by a one arrow per target Bowhunter round in the afternoon.

Sadly, the weather wasn't kind on Sunday as the group completed a second big game round (from a different peg to Saturday) and several retired partway through the day, so our special congratulations go to all of you who persevered through thunder, lightning, and very heavy rain to complete the course!

Thanks to all those that came to our event – we know it's not cheap to come over and stay! Thanks always to everyone in the club that gave their time in making it happen.
